Topic #5 ----- OP-SF NET 19.1 ----- January 15, 2012

From: Juri Rappoport jmrap@landau.ac.ru

Subject: Moisei Rappoport Centenary Conference

A one day conference devoted to the 100-year-old memory of Moisei Rappoport (April 12 1912 - December 25 1996) is planned to be held in Moscow, Russian Federation, on April 25 2012. It is included in the plan of scientific events of the Russian Academy of Sciences for 2012. The following topics are planned:

1. Computation of mathematical functions
2. Mathematical economics
3. Mathematical medicine
4. Tabulators and computer architecture
5. Automation in science management
6. Reminiscences

Moisei Rappoport was an author of a number of tables of mathematical functions including exponential functions and elliptic integrals. He also worked on a mechanization of their computation. OP-SF SIAM Activity Group Members and other scientists are invited to participate in this conference.
